Re: John O'Keefe Motor Vehicle Homicide.

Case: 2022-112-033

1. On January 29, 2022 at approximately 6:04AM, the Canton Police Department received a 911 call for a male party, John O'Keefe discovered unresponsive outside of 34 Fairview Road. Canton Police, Fire and EMS responded to the scene Canton Fire and EMS were dispatched to 34 Fairview Road for an unresponsive male discovered outside in the snow and CPR was in progress. Canton EMS transported the victim to Good Samaritan Hospital where he was determine to be deceased. At the Waterfall Bar on Friday night, January 28th and at 34 Fairview Rd was Matthew McCabe. Sgt. Bukhenik and I arrived at Matthew's residence on January 29th and agreed to speak with investigators.

2. Matthew has known John for approximately eight years and met Karen Read a handful of times. He did not know of any medical issues John may have had. Matthew and his wife, Jennifer arrived at the Waterfall Bar at approximately 9:00PM on Friday, January 28th. Matthew stated they went to the bar to have some drinks and food with friends. Matthew stated John and Karen entered the Waterfall Bar by themselves and John was wearing a baseball hat with a curved visor. Matthew did not observe any arguing amongst John and Karen or with anyone else inside the bar. Matthew stated Karen was consuming a clear liquid, he believed to be a vodka drink. As the night was winding down Matthew went over to speak with the band as everyone in the bar was leaving. Matthew stated John and Karen left before him and the only people left inside of the bar were the four band members and himself. Matthew left and got into his vehicle where Jennifer was waiting for him and heard her call John to invite him to Brian's (Albert) house.

3. While at 34 Fairview Road, Matthew stated he observed a big dark SUV parked to the right of the house. Matthew stated he was making these observations from the front door. Matthew stated he looked out the front window and observed the same big dark SUV had moved to the other side of the property, approximately fifteen to twenty feet. Matthew was not sure how long the vehicle was outside for but did not hear any loud noises or screaming from inside. Matthew stated both times he observed the vehicle on the street the headlights were facing towards Chapman St. Matthew stated he observed tire tracks in the snow on the street in front of the house. Matthew described the pattern as a wave or "V" shape. Matthew stated the tire tracks went from the curb in front of 34 Fairview, towards the neighbor across the street and then back towards the curb. The pattern of the tracks were consistent with making a three point turn. Matthew stated he did not see these tracks prior to the big black SUV arriving outside of the house.
